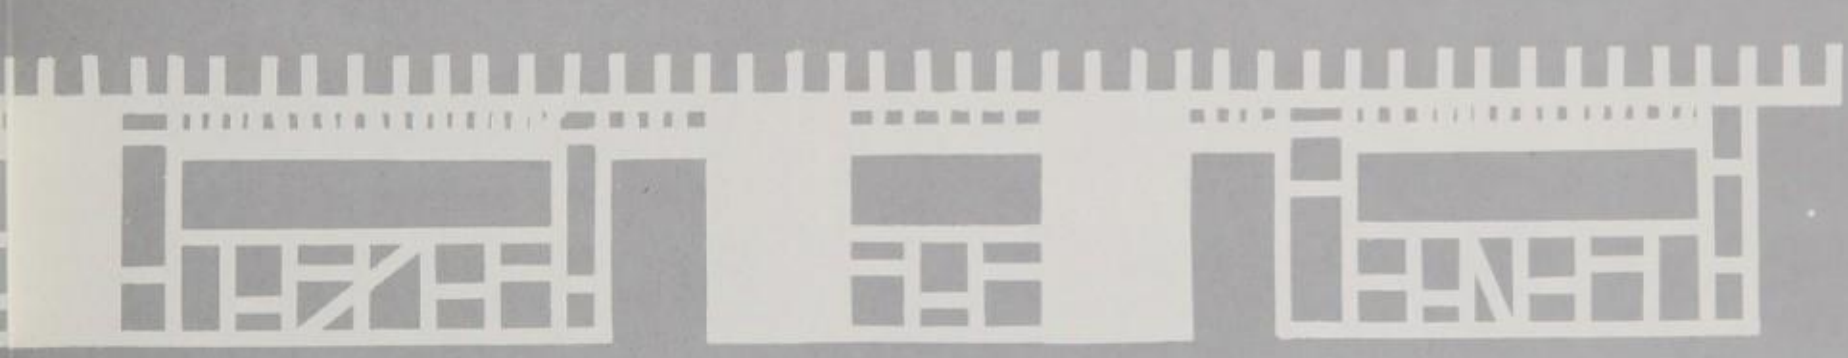
foreword



After the noise is gone and the debris is cleared away, Birmingham will stand as a showplace of beautiful, modern buildings. The old buildings, to which we have become attached, will be shipped away. Nothing will be left but their memory. Part of the tremendous spirit that we hold is generated by these old structures themselves. We alternate between complaining about the buildings and defending them against the derision of other schools. However, in the near future we will be proud of our buildings as well as our achievements and our teams.

Just as we watch our new school being transformed from a blueprint to a reality, we blueprint our goals today and build them into a reality with the success of tomorrow. Today's seniors are the builders of tomorrow's world. Their thoughts, their ideas, and their plans will help to determine the future of our country and our world.

administration

BOYS' VICE PRINCIPAL: Mr. Gordon Fine

"Being able to serve in such an outstanding high school is a privilege which few receive. May all of you upon leaving Birmingham maintain your tremendous spirit which will undoubtedly help you to reach the high standards you have achieved here at Birmingham."

GIRLS' VICE PRINCIPAL: Mrs. Pauline Swain

"Each of us must avoid complacency if our country is to remain strong, and all who would lead, must dedicate themselves to principles which serve the common good."

PRINCIPAL: Mr. Thomas D. Parry

"This school year saw the commencement of the first phase of our long-awaited building program. We have watched eagerly the slow and tedious work of preparation of the grounds, installation of utilities and supplemental services, construction of foundations and concrete slabs, and the erection of the super-structures.

Similarly, students graduation from Birmingham High School have, through time-consuming and sometimes tedious processes, laid the ground work and foundations upon which they will build their futures. For new buildings, as well as students, the basic framework is of the utmost importance. To strengthen this foundation for students, several new phases have been introduced in our educational program.

This year's graduates are the first to meet the increased graduation requirements and the more exacting major sequences. The new approach in the Foreign Languages, the modern Mathematics, additional Science offerings, and requirement of work in the Fine and Practical Arts indicate that today's students are attaining a well-rounded educational experience.

We hope that on this foundation each student will be able to build a life in which he can have pride and satisfaction."

The senior year is something to be remembered always. Voting for class colors, choosing the name and motto, electing officers and getting sweaters are the beginnings of that last year in High School.

The Senior Prom, with the crowning of the King and Queen are highlights of the year's activities. Then the Play Day and the friendly competition among the teams, puts all A12's back in their childhood: Riding tricycles, tossing eggs and enjoying a game of tug-o-war.

Looking toward the future and making plans is all part of that year. Then the Candlelight Dinner signifies that graduation is nearing.

Next comes the time to be measured for a cap and gown. Rehearsals for graduation start and everyone is excited. Finally the big day arrives. Graduation is here. The time that seemed so long in coming. Then it's over. You're saying goodbye to your friends. In a few hours the all-night party will mark the end of your High School Days. The future days and whatever they hold will never be like those just left behind, those of your senior year.

CLASS COUNCIL, Front Row: T. Lee, P. Fowler, F. Fox, W. Fong. Back Row: L. Johnson, P. Longwell, G. Harkness, N. Ferrell, N. Heinline, C. Schiff.

The Savantiers, Winter Class of 1965 chose as their president Fred Fox; vice president, Peggy Fowler; secretary, Darlene Peters; treasurer, Walter Fong; and historian, Nancy Ferrell. These fine officers help the Savantiers to live up to their motto- "To learn from the past, to live in the present, and to conquer the future." The class colors are royal and baby blue; and the song is to an original tune by Pat Towers.

A-12 CLASS COUNCIL, Row 1: G. Moreno, K. Lewis, S. Ledbetter, B. Incardona, L. Margoles, C. Halaby, J. Miller, B. Benz, V. Bayley, L. Tuninga. Row 2: M. Plamondon, R. Scadron, M. Goldman, C. Williams, T. Perkins, W. Messineo, S. Shaver, K. Ellison, C. Neagley, M. Peppler, C. Byrnes. Row 3: B. Bass, L. Highman, S. Goldberg, T. Hudson, M. Watkins, J. Miller, T. Nielson, M. Marcus, C. Allen, K. Kasell, D. Wark, D. Dreiman.

The Veritaes, summer class of 1965, chose canary yellow and white as their colors. The class motto is: "Truth the path wisdom the destination." The Veritaes song, written by Barbara Incardona, is sung to the tune of "Auld Lang Syne":

Oh, Veritaes, the summer class of 1965,
Eternally, in memory, your name will be alive.
With colors bright,
Of sun and white,
And truth the path we're on,
Let wisdom be our destiny,
As the Veritaes strive on.

Led by the president Chuck Halaby and vice president John Miller, the class worked with secretary Lynn Margoles, treasurer Barbara Benz, and historian Joana Miller to make it a successful year.

Hush days, on April 26th and 29th, were unusually quiet and the winners were announced after the exciting play day. The Candlelight dinner was at the beautiful Castaways restaurant in Burbank and was very successful. The senior breakfast, held in the school cafeteria, had both good food and good entertainment.

That day, June 17th, marked the end of the semester and graduation for the Veritaes class. All the students and faculty of Birmingham High wish them the best of luck and a successful future.

TROPHY WINNERS: Clinton Neagley, Science and Mathematics; Marc Matzner, Liberal Arts. ROW 2: Denis Kuhn, Fine Arts; Robert Bass, Vocational Arts.

Each year thirty students are chosen to represent their field in the Bank of America Scholarship Contest. Ten department chairmen select their best students, those with A and B averages, and a college major, to compete.

Four trophy winners are chosen from the group. This year Robert Bass won the Vocational Arts trophy, Denis Kuhn the Fine Arts, Mark Matzner the Liberal Arts, and Clinton Neagley the Science and Math trophy.

Robert Bass went on to win 2nd place in Valley competition.

The purpose is to recognize outstanding seniors who show promise of future success in college and in society.

The achievement awards program first came to L. A. in 1948, and was later extended throughout the entire state of California.

The trophies, awards, and cash prizes serve to encourage students to strive for excellence.

Laura Halem

sc honors students

Laura Halem and Richard Strick were chosen as this year's students for the USC Honors program. This program allows students to complete their last year of high school while they take the first year of their college courses.

Only students with an A average in high school, and a high college potential are allowed to participate in this program.

The students came back to Birmingham for their Graduation Day exercises.

Fellow Students,

A successful program in student government is the result of close cooperation and teamwork between the students and the administration. I can truly say that this year at Birmingham we have attained a goal that is the dream of every school, that dream being cooperation and teamwork. Both students and administrators have demonstrated this true spirit, know only at Birmingham, proving once again that Birmingham rules at anything that she does.

On behalf of the entire Board of Control, I would like to thank the faculty and administration for the invaluable guidance they have given throughout the entire year. We, the Board of Control, cannot fully express our appreciation to the administration for their special consideration of all measures that we brought before them. And also a special word of thanks to Mr. Starer for his outstanding guidance and understanding. Without his assistance I do not believe that we could have accomplished anything this semester.

Naturally, all achievements during the semester were the result of conscientious backing of every member of the Student Council and the fine support of the Student Body. A special word of thanks to all the students who participated in our activities and helped make them the successes that they were.

With you, the returning students, remains the responsibility of maintaining Birmingham High's prestige, scholarship, spirit, and mighty athletic teams. It is hard to relay the importance of this to you. The only way that I believe that you would understand this importance is to place yourself in my position when I represented Birmingham at conference or gathering. Myself and the other delegates from Birmingham, always felt just a little bit prouder, for we know that we are from a winning school, a school full of spirit and tradition. We were from a school that works together to stay on top, where we shall always stay. I cannot urge you strongly enough to keep taking part, and to keep Birmingham in the position where it is now, number one.

I also want to thank you for affording me the honor of representing Birmingham as Student Body President, an experience which I shall never forget. To all students and graduates my sincere thanks for a full and prosperous past and my sincere wishes for a full and prosperous future.

STUDENT GOVERNMENT

Headed by Mr. Marvin Starer, the Birmingham student government is modeled after the United States government. It contains the executive officers and their cabinet of commissioners, a senate consisting of four senators from each grade, a house of representatives composed of two members of each second period class, and the Board of Control made up of various officers whose purpose is to coordinate the student body activities. The Organization Council contains the presidents of the honor service organizations. This government serves the student body justly and with efficiency.

I feel very fortunate to have attended Birmingham, but even more fortunate to have attended at this particular time. Birmingham is truly experiencing its "finest hour," for its Braves have brought it many honors, both athletically and academically.

Now this "finest hour" is being complimented by the appearance of new classrooms, offices, and athletic facilities. However, I am sure that the "old" Birmingham will be forever remembered by those that were a part of it.

I can't describe the feeling I have as I leave Birmingham, but it's one that no true and loyal Brave can escape.

I would like to take this opportunity to thank you, the students, for giving me the chance to serve as your president. Being Student Body President is certainly a climax to my stay at Birmingham and I'm only sorry that I couldn't know each and every student personally. On behalf of the Board of Control, I want to thank the faculty and administration for their invaluable support.

To my fellow graduates, my sincerest congratulations and best wishes for the future. To the returning students, I wish all of you the best of luck with the sincere hope that you will give your unyielding support to Birmingham.

CHOIR

TRI-M

Modern Music Masters is a club of students who are musically minded. It's an honorary club for students who have contributed to the school's music program. Many of the students in Tri-M are music majors and plan to be professional entertainers. Mr. Ted Lynn is the club's sponsor.

16 VOICES

This is a group of students interested in singing. The members of the club meet in the morning, period A, to learn songs and arrangements. Many of the members may be professional entertainers. Each year, anyone may try out for membership in 16 Voices. The former members must also try out again. This semester, Miss Anderson has led this group.

TRI-M: Mr. Lynn, O. Coleman, K. Smith, P. Parker, M. Vaughn, N. Obrien, R. Naill, T. King.

16 VOICES, Row 1: K. O'Neill, N. Spry, J. Elliot, D. Hewson. Row 2: S. Davison, N. OBrien, A. Moreno, C. Allen. Row 3: S. Shaver, G. Harkness, B. Johnson, B. Gormicy. Row 4: R. Wilson, M. Grover, C. Coffin, K. Kaufman.

Thespians rehearse for "The Diary of Anne Frank"

THESPIANS

This organization honors those students who have performed exceptionally well in the past drama performances. It is truly a great honor to belong to this nation-wide organization, and membership does not come easy, for it takes much long and difficult work to even qualify for membership. Mr. Kulp and the members should be congratulated for the many hours spent before, during and after school, to put on the many fine performances of Birmingham's past.

building athletic excellence

sports

football

Even though the Braves weren't able to claim the 1964 Football Championship, our team did put up a spirited fight.

Wayne Sink took over as head coach aided by line coach Lynn Lomen.

Early season losses to Santa Barbara and Reseda can by no means be attributed to the lack of talent on our part. Outstanding lettermen who lead the team were quarterbacks Craig Schusterick and Bernie Carr. Excellent pass receivers were Randy Peterson, Ross McNutt, and Mike Dexter.

Dave Drysdale, Dave Enrico, and Greg Buchannan made possible a strong backfield while Bill Brucker, John Cort, Don Rose, Tim O'Brien, and Pat McKelly kept the line equally as strong.

Despite the fact this years championship slipped barely from our grasp, we can look forward to the 1965 season.

SCORES

SANTA BARBARA	19-20	CANOGA PARK	14-12
MONROE	7-0	TAFT	0-0
RESEDA	0-14	GRANADA HILLS	40-7
CLEVELAND	19-18	CHATSWORTH	59-0

cross country

This year's Varsity Cross Country team, the finest in Birmingham's history, tied for fourth place in the City. Lead by City champ, Kim Ellison, the Braves were undefeated in league competition.

The J-Vee team, placing third in league, was up against some mighty tough competition, as well as our tenth grade team, who placed fifth in the league.

Many days went by without the school student body realizing what our Cross Country teams were doing. While everyone here slept or relaxed, our guys were out putting mileage in, for their long, hard work-outs. Team spirit and a strive for their goals were always the factors of Birmingham's fine athletic teams.

Every semester Birmingham looks forward to the receiving of new teachers. With the teachers comes not only new faces, but new methods of teaching and new ideas to help to enrich the students outlook on studying and learning.

In keeping with the theme, these new teachers show us, the students, new ways of learning and studying which all contributes to the building of a better future not only for the students, but for the school. As long as there are new teachers with new ideas there will always be a better future.
